Sir:

This paper is submitted in response to the Office action having a mail date of September 25, 2002. A petition for one-month extension of time is submitted herewith. Please enter the following amendments and consider the following remarks:

In the Claims:

Please amend claim 1 as follows:

*C1*  
1. (Twice Amended) A filtering device for an espresso-type coffee maker of the type having a spout to deliver heated water under high pressure to finely ground coffee beans to brew coffee therefrom, and a receptacle to receive brewed filtered coffee, means defining a flow path between said finely ground beans to said receptacle, comprising:

a permanent filter in said path of heated coffee passing to the receptacle which filter has openings sized to filter out the fine espresso coffee grounds; and
